If you are looking for a role that requires commitment, strategic thinking, a high level of safety and cost awareness, and flexibility, always with the customer in mind, then we are looking for you!

Your responsibilities:

- Standard duty on HA-420 HondaJet of ProAir Aviation GmbH in accordance with the company's procedures
- Excellent customer/passenger care
- Absolute punctuality and reliability as well as loyalty to our customers and the company
- Compliance with legal regulations, execution of flights in accordance with EASA AIR-OPS regulations

Your profile:

- Completed vocational training, valid EASA-CPL or EASA-ATPL license / MCC with valid type rating on the HA-420 HondaJet
- Flying hours minimum: 250 TT, 50H HA-420
- Experience in commercial flight operations in accordance with EASA AIR-OPS
- High resilience, good teamwork and communication skills, passion and commitment, flexibility in terms of working hours
- Knowledge of common Windows applications (Word, Outlook)
- Knowledge of the Crewbriefing/APG and LEON programs is an advantage
- Independent, service- and goal-oriented approach to work
- Sense of responsibility and an economical approach
- Valid work and residence permit for Germany
- Fluent written and spoken German and English are required
- Class B driver's license (car) required

We offer you:

- A permanent, secure job
- Comprehensive training/induction into the company's procedures
- Varied flight routes and areas of operation
- Excellent working atmosphere
- Open base as agreed (location LFZ EDDL / EDLN)
- Above-average pay

In addition, our employees have every opportunity and prospect to develop within an economically sound and innovative company. We are happy to support our employees in achieving their goals together! The focus is clearly on our employees as our most valuable asset.

Have we sparked your interest?
